Special Instructions / Concerns

We, as parents/guardians, of the student named above, grant permission for our child to participate in Youth Group and Church activities. We understand that this permission form is to act as a "global" permission slip for all Church and Youth Group activities, including travel, as generally described in the attached information sheet. Furthermore, we understand that a permission slip WILL NOT be requested or available for each event or activity. We understand that we may obtain more specific details about activities or events by checking the Church website (Youth Activities or General Events) or contacting the Youth Director.

We authorize and give permission for Church staff and adult volunteers/chaperones to provide transportation in personally owned vehicles to activities and events which take place outside the Church property. Parents/Guardians shall be responsible for transportation to and from the Church. Parents/Guardians shall provide written instructions or notify the Youth Director in person in the event the parent/guardian or other authorized adult will be transporting a student to or from an event or activity that is not at the Church.

We understand that there are inherent risks in transportation and group activities and hold harmless Covenant United Methodist Church and adult volunteers/chaperones from any injuries that our child might sustain while participating in any Church activities or events.

We further authorize our child to be photographed/videotaped at Church events or activities and authorize the posting or use of such photos or videos on the Church website and in promotional/informational materials.

Students are expected to abide by the Youth Group Code of Conduct at all Church and Youth Group Activities and Events.
